## Local Printing

JAG Hong Kong brings you the most efficient and highest standards of creativity, workmanship, and customer support FROM SIGN DESIGN AND PRODUCTION TO INSTALLATION.

## Our Team

JAG Hong Kong has extensive 15 YEARS' experience and knowledge in the graphic film industry both in HONG KONG & NEW ZEALAND.

## Our Company

JAG Hong Kong is the leading GRAPHICS FILM INSTALLATION company targeting graphic solutions for pre-existing, new build commercial spaces.

Our sign makers are there to help with your specific requirements every step of the way. Whether you're wanting regional or nationwide signage roll-out, your dedicated JAG Hong Kong contact will ensure delivery of your professional signage quickly and efficiently. We take pride in our work and we are committed to design and manufacture world-class signs for businesses and organizations throughout Hong Kong.

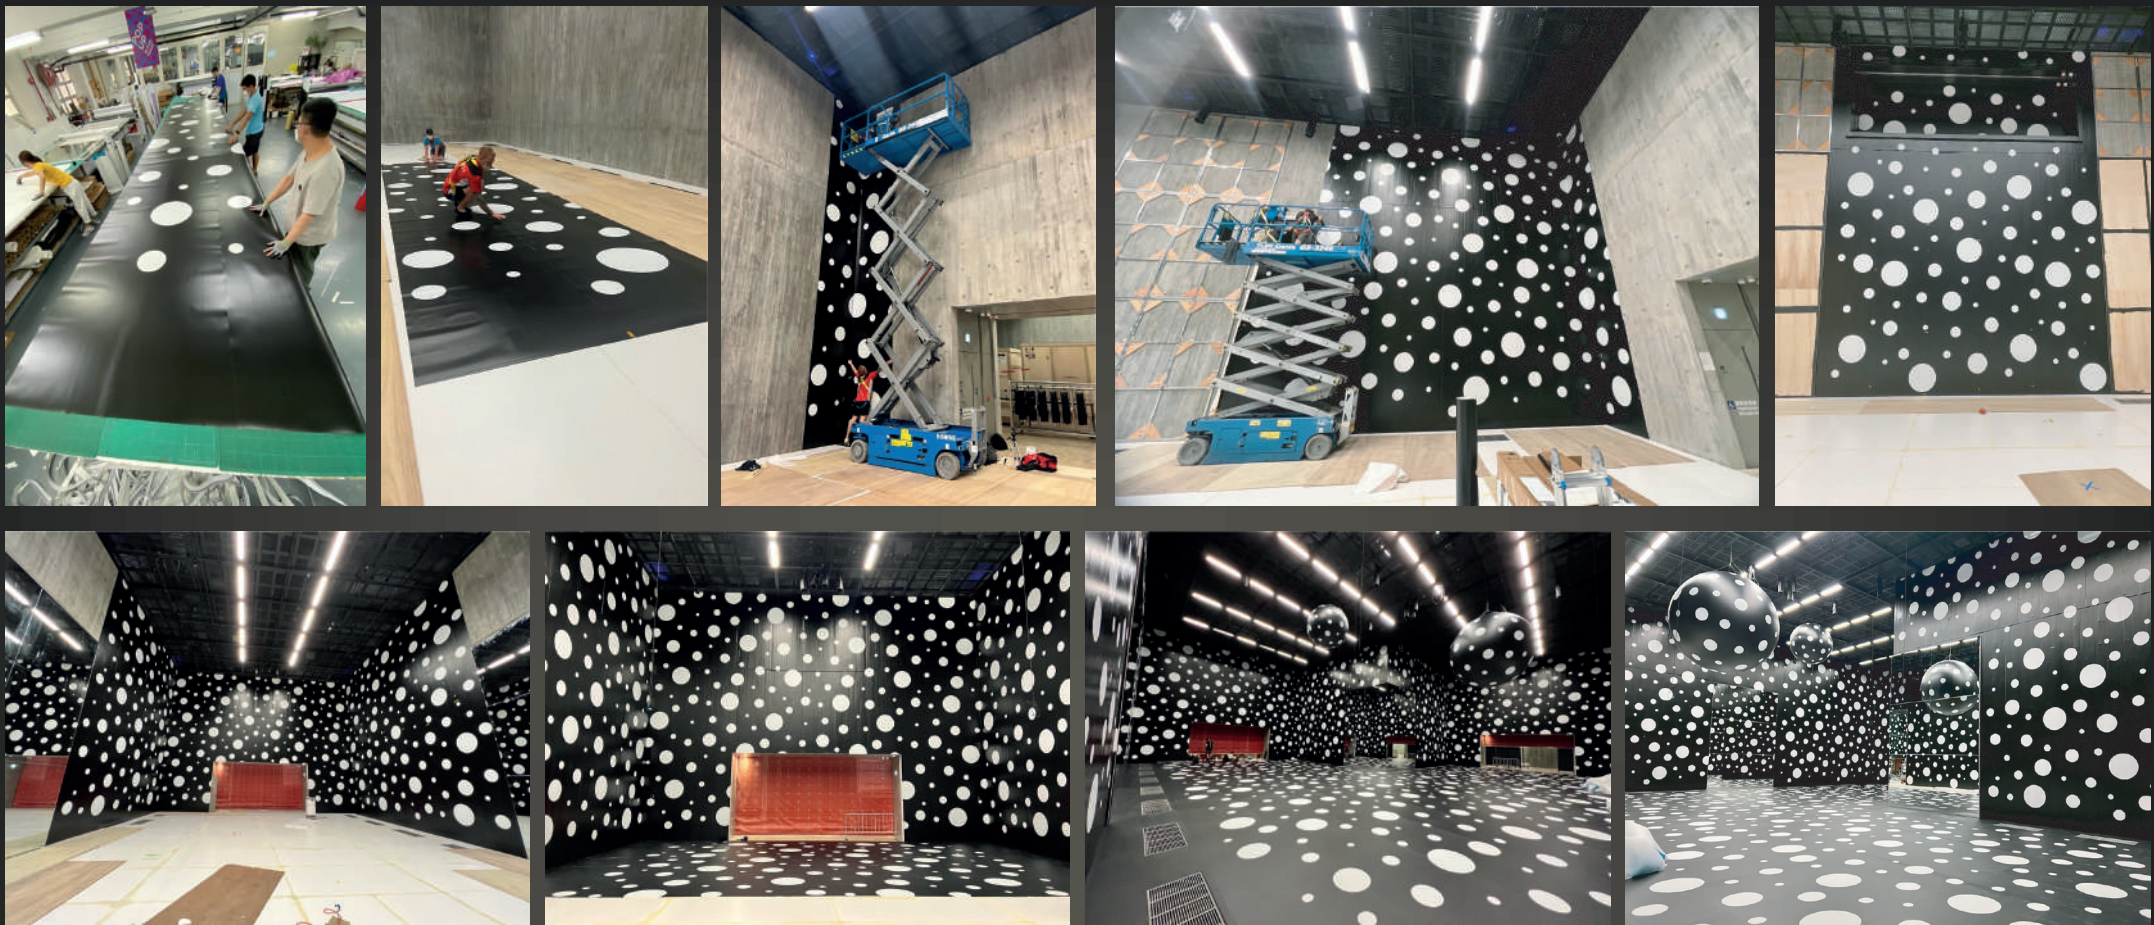

## EXHIBITION : YAYOI KUSAMA : 1945 TO NOW

LOCATION : M+, WEST KOWLOON DISTRICT

The most extraordinary and comprehensive exhibition about Kusama-San throughout her whole life showcasing over 7 decades and 200 original pieces of artwork.

JAG Hong Kong coordinated this extensive project from the conceptual idea sharing and creating, to material propositions and performance testing prior to installation. The result realised the perfect combination of colour and suitable graphic material throughout the execution of the project of over 1000 square meters of installation. Dots Obsession is still the largest retrospective of Yayoi Kusama in Asia outside Japan.

## GRAPHIC INSTALLATION

From a technical standpoint, alignment, bleed size, Pantone and pinpoint measurement were just some of the crucial aspects of making this installation a success. Constant dialogue with our clients and a focus on delivering their exact needs and desires created a perfectly installed wall graphic on a material that best suited the needs of the client in terms of durability and quality. Our experts were there throughout the process to deliver exactly to our clients specifications.

## FLOOR GRAPHIC

The extensive floor graphics created a challenge for both our client and our experts - a challenge though which through our years of experience were able to excel and surpass the expectations of the client. Using our technical knowledge and the most specific graphic film JAG Hong Kong was able to install the floor in perfect alignment matching and exceeding our clients demands.

Our products are specifically made to order for each client and made to best suit the application of your need - from indoor surfaces such as smooth floors and carpets to high traffic outdoor pedestrian areas with rough surfaces such as concrete or asphalt. Our experts are here to help you find your perfect graphic signage solution and each of our products are accredited and rigorously tested by specified labs in Australia.

## TIMELINE FOR PRODUCTS AND SERVICES

1. Colour management (with maximum two (2) rounds of sampling, each sampling will provide 10-15 square for colour matching with assigned pantone/ colour swatch)
2. Sampling lead time : 1 - 2 working days
3. Production lead time :2-4 working days for in-stock items ; non-stock items may take around 1-3 months
4. Delivery arrangement : 2 working days in advance will be required for the delivery
5. Installation work arrangement : 3-7 working days in advance will be required for scheduling the graphic production and installation work

## THE LARGEST SCALE LOCAL PRINTING SUPPORT

JAG Hong Kong provides award-winning signage solutions and signwriting services in Hong Kong, offering a network of experience and expertise on tap. Our Business works closely together with partners such as **3M** to bring you the highest standards of signage creativity, workmanship, and customer support. Thanks to this partnership, JAG Hong Kong is able to offer you superior signage solutions and warranties to your business, working with you from sign design and production through to installation.

Our printing partner is one of the biggest printing companies in Hong Kong, with extensive stock levels and all printing process are executed locally.

## 3M™ MCST™ WARRANTY

Intended for complete advertisement graphics created with only **3M** materials, the warranty covers all parameters - physical, manufacturers defects, defects caused during cutting or printing etc. This is the absolute Gold Standard for **3M** Graphic Product Warranties.

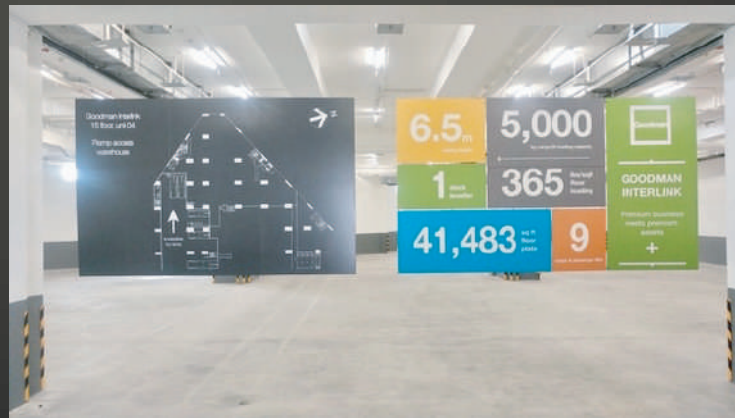

## OUTDOOR SIGNAGE

Bring your outdoor space to life and create a visual attraction with exterior signage. It can be the first experience someone has with your business, so you'll want to make that vital first impression count. There are various types of exterior signage, all of which visually communicates your brand and represents what your company stands for.

## LARGE FORMAT WALL SIGNAGE

Large format printing is essential when demanding attention from a distance, advertising your brand, showcasing an event, and so much more. The possibilities are nearly endless.

## LOGO / DIE CUT SIGNAGE

We produce exterior building and fascia signage of all kinds. We specialise in using top tier materials designed for application directly onto the building. This is an effective way to get large graphics onto a concrete or rough wall, particularly if it is large scale.

## SHOPFRONT / OFFICE SIGNAGE

As an essential part of advertising for your business, it is what draws your clients to you and shows them exactly who you are at first glance. Don't neglect the signage that is what your potential clients see in you first. Our experts will guide you through the best use of window decals and lettering, reception and illuminated display signs to create the tone, feel and aesthetic that will make your business not only eye-catching but a success too.

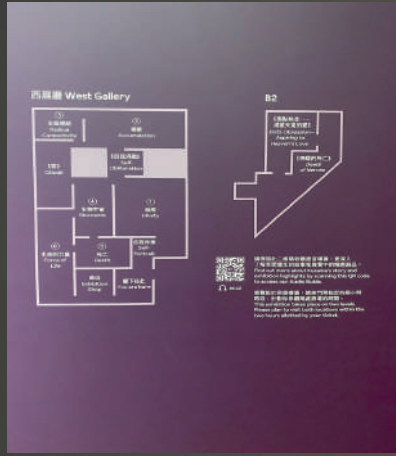

## VEHICLE SIGNAGE

The best and most economical form of advertising is on your vehicle. At JAG Hong Kong we provide a complete signage solution for your vehicles. It can be a simple logo and phone number on the doors, through to a complete digitally printed body wrap, partial wrap or vehicle colour change. We can do a one off or a complete fleet of vehicles.

# WARNING ICONS & DIRECTIONAL SIGNAGE

## FROSTED GLASS FINISHES

Customize your interior glass to create privacy, visual interest and promotional branding. **3M™** Fasara™ Glass Finishes transform plain glass, capturing the look of cut or textured glass at a fraction of the price.
